Date :

Annual Report 2025-26

Introduction

The academic year 2024-25 was marked by steady growth, collaborative learning, and focused academic progress at NEW WISDOM INTERNATIONAL SCHOOL. The school followed a **CBSE-based curriculum**, supported by the **EDAC AND NCERT** publications to ensure clear, structured, and competency-driven learning. We continued with a **Four-term assessment pattern** and strengthened our commitment to academic excellence.

The year began with a **Parent Orientation Programme in June**, followed by the reopening of school for students. Parents were introduced to the curriculum, teaching approaches, and assessment structure for the year.

Academic Highlights & Celebrations

- **Pi Approximation Day - 22 July**

Students explored the concept of Pi and learned about its approximate value, 22/7, through engaging math activities.

- **Independence Day - 15 August**

Celebrated with patriotic songs, speeches, and a flag-hoisting ceremony.

- **World Letter Writing Day - 1 September**

Students wrote simple letters to build writing skills and understand the importance of traditional communication.

- **Hindi Diwas - 12 September**

Activities highlighted the beauty and importance of the Hindi language.

Website : www.newwisdomschool.com

- **Chai Pe Charcha - November**

School heads and management interacted with parents to discuss progress and

- **Children's Day - 14 November**
A joyful celebration with games, performances, and fun classroom activities.
- **Constitution Day - 26 November**
Students learned about the Indian Constitution and fundamental rights.
- **Sports Day - December**
Planned to promote sportsmanship, fitness, and teamwork.
- **Marathi Gaurav Din - February**
Will celebrate Marathi culture and literature.
- **Graduation Day for Grade 5 - April**
A ceremony to honor Grade 5 students as they move to the next phase of their schooling.
- **Earth Day - June**
Planned activities will promote environmental awareness.
- **New Academic Session**
The next academic year is tentatively scheduled to begin on **6 April**.

Professional Development & Academic Focus

Teachers participated in in-house training sessions on:

- **Competency-Based Education**
- **Inquiry-Based Learning**
- **Storytelling Approach**
- **Toy-Based Learning**

These trainings improved teaching strategies and classroom engagement. Throughout the year, the school placed strong emphasis on **academic excellence**, lesson planning, and continuous student monitoring.

student Portfolios

This year, the school began developing **student portfolios** as per **NCF guidelines**. These portfolios include classwork, assessments, reflections, and creative work. They help track student progress and support competency-based assessment.

Counseling and Support

The school provided necessary counseling and support to students, ensuring their emotional and academic well-being throughout the year.

Future Goals

- Strengthen academic excellence across all grades.
 - Enhance parent-school partnership and communication.
 - Increase technology use in classrooms.
 - Improve continuous assessment practices through portfolios.
-

Challenges

- Varying levels of language proficiency in English, Hindi, and Marathi.
- Need to increase parental participation in school activities and PTMs.

Whole-School Highlights (Grades 6–12)

This academic year has been marked by **innovation, collaboration, and student empowerment** across all clusters. Several whole-school initiatives strengthened learning culture and community engagement:

◆ Parent Orientation – 14th June

A well-received orientation was conducted for all parents, with the session thoughtfully optimized by reducing the duration by half an hour—ensuring effectiveness and engagement.

◆ Celebration of Key Academic & Cultural Events

To enrich student learning beyond textbooks, a series of experiential activities were conducted:

- **Hindi Divas** – Language pride through creative expression
- **Pi Day** – Hands-on mathematical explorations

- **World Letter Writing Day** – Students wrote heartfelt letters to bus drivers, conductors, QALAS teachers, heads, and family members, expressing gratitude for their care, affection, and constant support.

◆ **Chai Pe Charcha – 9th November**

A warm, interactive platform where parents engaged openly with the school management, sharing constructive feedback and collaborative ideas for school development.

◆ **Parent–School Partnership Strengthened**

The Pearls Academy Parent Forum (PAPF) was reintroduced for AMES Kids and Pearls, ensuring a structured channel for communication, partnership, and shared decision-making.

Middle School Report (Grades 6–8)

Middle School witnessed a strong shift toward **competency-based, skill-driven learning**, aligned with NEP and NCF recommendations.

Major Initiatives & Achievements

- **Introduction of NCERT Textbooks** to strengthen conceptual clarity and standardization.
- **Remedial Classes** initiated for identified learners, improving consistency and performance.
- **Fortnightly Tests** implemented to boost regular revision and exam readiness.
- **Technology Integration** through smart classes and digital learning tools.
- **Art-Integrated Learning** incorporated across subjects to promote creativity and conceptual understanding.
- **SOF Exam** conducted to identify high achievers.
- Students appeared for the **Dr. Homi Bhabha Balvaidnyanik Competition**, demonstrating scientific curiosity.

High School Report (Grades 9–10)

The High School cluster remained focused on strengthening academic discipline, board exam preparation, and student confidence.

Key Highlights

- **Test Series** conducted regularly to enhance writing speed, conceptual application, and exam strategy.
- **Remedial Classes** strengthened foundational gaps and ensured continuous improvement.
- A structured **Mentorship Programme** introduced for Grades 9 and 10—providing academic guidance, motivation, and personalized support.
- **Grade 10 (Batch 2024–25)** achieved a remarkable **95.65% result**, demonstrating strong teaching standards and student dedication.

Senior School Report (Grades 11–12)

Senior School continued to grow both academically and in opportunities for advanced learning.

★ Highlights

- **Grade 12 (Batch 2024–25)** achieved **82.64% results**, reflecting consistent academic excellence.
- The school continues to run **Science stream** giving students diverse academic pathways.
- Students actively participated in the **CBSE Storytelling Competition**, sharpening communication skills, creativity, and confidence.
